The camp is designed to instill confidence in students, provide solo opportunities, and generate an excitement for the arts in each participant. A light dinner will also be provided each night. (please let us know if your child has any allergies)

Our show will feature a 15 - 20 minute medley of fun songs from the newly released version of "Annie". Each camper receives a practice CD, two admission wristbands for the Sound Explosion, a t-shirt, and a certificate of participation. Additional wristbands will be sold for \$5.00 each. Videotaping will be allowed, however professionally edited videos will also be available for purchase. This is a great opportunity for any kid who loves to sing around the house or for those seriously pursuing youth theater or show choir opportunities.
