

*Welcome to Kindergarten! We hope this simplified version of what is needed for REGISTRATION helps ease the transition to school for your child and for you. Please take this card to your child's physician, dentist, and eye doctor so they may access the necessary forms. Physical exam and complete immunization record must be provided to the school office at registration. Schedule an appointment today to ensure your child will have all necessary forms to register for school.*

**In accordance with Illinois law, all students, prior to entering kindergarten, must**

- show proof of a current physical exam including lead screen and complete health history
- provide documentation of up-to-date immunizations and
- have an eye examination from an eye doctor

**When you register your child for kindergarten, you also will need a**

- birth certificate for your child and
- proof of residence / address.

**Prior to May 15 of the kindergarten school year (May 15, 2018)**

- a dental examination is requested.

Specific information and immunization requirements are listed on our website ~

<http://www.springfield.k12.il.us/healthservices/>

*click on Health Forms where you or your child's physician/dentist/optometrist will be able to view and print all required school health forms.*

*Valerie Rogers, RN, MSN, Health Services Coordinator 525-3060*
