

WARRIOR PARENT NEWS

.....

Hello my name is Cristol Tiller. I'm the Parent Educator for the of 2018-19 school year. I have been working with children and families for over 20 years. I have experience in working with many families from various backgrounds. I'm very excited to be here at WMS this year! My goals this year are to be a support for the children and families. I am here to build a positive relationship between families, administration, teachers, and all support staff. We want to build a welcoming school environment for each and every family! Our students need to know that the school and home relationship is strong and positive. My ultimate goal is to build a bridge between home and school to give your children the best possible chance at a successful future in their education journey! I'm excited to announce that we have partnered with the Central Illinois Food Bank to provide fresh fruits and vegetable to all of our families! Our first distribution will be on August 22, 2018 in the afternoon. Please remind your children to grab some on the way home. Our distribution day will be on Thursday. Please check the website for further details and to find out which Thursday the fruits and

vegetables will be given out to the families. The website is a great way to access important information about the school and upcoming events. Please make sure that you're staying on top of your child's classroom progress. Please feel free to call me with any questions or concerns.

Upcoming Events

9/20/18 - Welcome Back Celebration

10/20/18 - Fall Festival (details coming)

Projects, programming, or materials for District 186 are federally Title I funded in whole or in part unless otherwise noted per Stevens Amendment of Disclosure of Federal Participation
