I Am

I am sharp and focused
I wonder what the camera really sees
I hear the buzzing bee
I see flowers in early morning light
I want to stop time in a box
I am sharp and focused

I pretend to be a statue
I feel the shakes inside
I touch the shutter button
I worry about the blurry result
I cry that the moment has forever passed
I am sharp and focused

I understand moments in time
I say let's freeze them forever
I dream of watercolor effects coming to life
I try to see all the soft muted edges
I hope it happens someday
I am sharp and focused

I am sharp and focused
I desire to have 4.0
I will accomplish this by studying daily and
completing homework
I would like to earn my Masters
I want to pursue a career with health and fitness
I am sharp and focused

I am Mrs. Erickson
