From the Principal's Desk

Third Quarter was a busy time for all of us here at Harvard Park School. From all of the activities surrounding ISAT testing, students and staff alike put in a lot of extra time to ensure everyone was able to do their best for the state tests. A special thanks to Ms. Vyke Johnson who, along with numerous volunteers, put together a fabulous "Do your Best for the Test Night".

Don't forget that we will be having our McTeacher Night on April, 22 from 5-7 at the South 6th McDonalds. We will be having a silent auction and 20% of the total proceed from the restaurant will be going to Harvard Park School.

April is also our Spring Break at Harvard Park. It is a bit late this year and will run from April 14-18. Don't forget we will have an early dismissal on the Friday (April 11th) at 2:00. Please see "Calendar at a Glance" for more events.

Yours For Better Schools,

Mr. Hayes

Our Mission Statement

Our mission is to educate all students to be productive citizens by teaching them to be critical thinkers and problem solvers with a lifelong passion for learning.

Our Instructional Focus

All students will build knowledge of various topics by reading and responding to a balance of complex fiction and nonfiction text.
