### **REMINDERS...**

- As the weather gets colder we just wanted to remind parents that we cannot let any student without an adult in the building before 8:05.
- Remember to bring in your items for the Great Exchange. This will be a great opportunity for you to get some cool stuff and help out your child's classroom in the process.
- It is vital that your child get to school everyday!
- Breakfast is over at 8:45. Please make sure your student arrives on time if they are wanting breakfast.
- As the weather gets colder be sure your child is prepared. While the school is climate controlled students are still able to wear a crew neck sweat shirt or a cardigan sweater. School uniform colors of Black, white, blue or grey still apply.

### **THANK YOUS...**

- Thank you to all of the parents for their flexibility with conferences. Being here is a great way to increase your child's learning.
- Special thank you to our parent volunteers that helped run our book fair.
- Thank you to our parents that volunteered to do our popcorn days!
- To all the teachers that have done such a great job with the planning and collaborating - it has really made a huge difference!

### **Parenting Tip from the school...**

- Getting proper rest can be the difference between a student doing well and a student struggling through the day. Please make sure your child receives between 7-10 hours of uninterrupted sleep a night.
- Homework help is essential to making sure your child is staying on their growth targets. Please contact your child's teacher if you need any assistance.
