Semester Break

REMINDERS...

- As the weather gets colder we just wanted to remind parents that we cannot let any student without an adult in the building before 8:05.
- Remember our Math Night Event is on Weds Jan 27th from 5:30-7:00. Games and prizes will be provided and it is all FREE!
- It is vital that your child get to school everyday!
- As the weather gets colder be sure your child is prepared. While the school is climate controlled students are still able to wear a crew neck sweat shirt or a cardigan sweater. School uniform colors of Black, white, blue or grey still apply.
- We have shoes, coats and hats and gloves for your student if you are in need. Please contact Mrs. Herbert if you need any assistance.

THANK YOUS...

- Thank you to all of the parents for their participation with our Family Math Night!
- Special thank you to our parent volunteers that helped run our PBIS Celebrations and Gotcha Store. Thanks to their help students are able to be rewarded for their hard work
- Thank you to our parents that volunteered to do our popcorn days!
- To all the teachers that have done such a great job with the planning and collaborating - it has really made a huge difference!

Parenting Tip from the school...

- Getting proper rest can be the difference between a student doing well and a student struggling through the day. Please make sure your child receives between 7-10 hours of uninterrupted sleep a night.
- Reading to your child and or providing time to read is essential. Please see Mrs. Rhodes if you need any assistance getting your students adequate reading materials.
