THANK YOUS...

- Thank you to Mrs. Herbert and our community partners at St John's Lutheran Church that donated 150 family ham dinners!
- Special thank you to our community partner United Community Bank that has pledged to purchase a storage shed for our Food Bank.
- Thank you to our parents that volunteered to do our popcorn days - this makes us a lot of money that we in turn spend on students needs (coats, shoes, ect.)
- Mrs. Michelle - who is spearheading our second Great Exchange (April 15th)

Parenting Tip from the school...

- **READ READ READ**
 - Please remember to read to or with your child. Research shows there are very few things that help improve cognitive learner better then improving their ability to read. Spring Break would be a great time to take the time to read to your student. Students should read at least 20 mins everyday.
