

Springfield High School
Booster Club

"HELP KEEP THE PRIDE ALIVE AT SHS"

Look for membership enrollment forms to arrive in your mailbox in early August.

Booster Club helps to off-set operational expenses of the many student extra-curricular clubs and organizations. The SHS Booster Club is unique in that it not only supports the school's sports programs, but all student oriented clubs, organizations and extra-curricular activities. The Booster Club's financial assistance has exceeded \$400,000 over the past nine years, enabling our students to explore their interests in over 30 athletic and non-athletic organizations. Your membership helps finance a portion of these cultural, academic, and athletic extracurricular activities that enrich the high school experience of the students.

We look forward to welcoming our members at the Meet the Coaches/Advisors Reception prior to the Open House on Wednesday, August 26th at 5:30 p.m. in the Courtyard.
