## Message from the Booster Board President

The SHS Booster Club is looking forward to another fantastic year supporting your students and their athletic teams and extra-curricular clubs. We would love to have you join the Boosters this year and help us help our kids.

There are many different levels of membership available with different benefits at each level. Fast Passes get you into SHS home athletic and other selected school events, bypassing the ticket line. Booster car magnets are a hot item and can be seen on many cars around town. We plan to expand our communications with Booster members this year via newsletters and email, helping to keep you in the loop. Please see our membership materials for further details.

Booster Club members can also volunteer on committees and at events, such as After Prom and our Red & Black Gala. This is a wonderful way to be involved in the many activities going on at Springfield High, and to meet other parents who are similarly on board.

We are also offering an Early-Bird Discount for people joining Boosters before August 31, which will give you a one-time **20% discount** at our online Spirit & Pride store ([Click here to access store](#)) instead of the advertised 10% or 15% discount.

Thanks for your interest in the SHS Booster Club. Please do not hesitate to contact me with any questions.

Go Senators!!

Todd Knox  
2017-18 Booster Board President

## Principal Welcome from Dr. Leardi

It's sensational to be back at Springfield High School and surrounded by parents and families who love and support SHS as much as I do. At SHS, we will prepare students for college and beyond, providing a base of and for learning that will enable students to be competitors at any university or for any career.

Built on top of that academic foundation are the extra sports, clubs and activities that help make our high school so special. We recognize that these extras are often why students want to come to

school in the morning! If you have ever witnessed the pride that a new team uniform can generate, or the excitement level when students find out they are staying in a hotel for a team overnight, or the gratitude that students feel when their first rate musical equipment inspires them to be a better musician and student . . . well then you know what the SHS Booster Club is all about. Booster's enable our students to have some of those little extras that go a long way. School, sports, clubs and activities are connectors that help our Senators unite together and make their season and school day better! We need your support and strength as a group. Your generosity is absolutely valued and appreciated. Thank you for all of the extras you give to our students. Go Senators!

Lisa Leardi, PhD

**Concessions: Volunteers Needed**

The Booster Club needs amazing parents like to to work in the concession booth this fall at volleyball games, JV and freshman football games as well as the cross country meet this fall. The proceeds are used to support the various activities throughout the year, plus it is a fun way to volunteer. Below is the link to the Sign-up form.
