REMINDERS...

- **Arrival** - Thank you for dropping students off at the sidewalk - keeping students safe is our #1 concern.
- **Entry** to the school is 8:05. Students that are at the school before then are unsupervised
- **Breakfast** is over at 8:45
- **Dress Code** - As the weather gets colder be sure your child is prepared. While the school is climate controlled students are still able to wear a crew neck sweat shirt or a cardigan sweater. School uniform colors of Black, white, blue or grey still apply
- **Thanksgiving Break** - Is a great time to spend quality time with your family. Take a break from the TV and internet and play a game with your kids!

THANK YOUS...

- Thank you to all of the parents for their flexibility with the changing of Weds schedule.
- Special thank you to the parents that are helping out with our basketball program. It is all voluntary but very important work as we try to give our students the best experience possible.
- To all the parents that have increased the amount of time their student(s) spend reading - Reading 20-30 minutes a day is one of the most important things you can do to increase intelligence.

CICO

- Check In Check Out (CICO) is a targeted, Secondary (or Tier 2) intervention that provides some students a higher frequency of scheduled, positive feedback from adults, as well as progress monitoring through the use of a daily point sheet. Throughout the day, students on CICO are given positive, constructive feedback on their behavior based on the schoolwide expectations: Respect Yourself, Respect Others, and Respect Property. Students may be referred to CICO by school staff, the problem solving team, parents, or themselves. If a parent wishes to refer a student to CICO, he/she should contact the student's teacher.
