Math & Science Night  
5:00

**February 21st**  
Report Cards Home

### REMINDERS...

- Read with your child everyday! Doing so is one of the most impactful things you can do to help your student
- **Math & Science Night** - we will have tons of easy and free activities and information for you to help your student(s) improve his or her test taking strategies - as well as the parents
- **Dress Code** - As the weather gets colder be sure your child is prepared. While the school is climate controlled students are still able to wear a crew neck sweat shirt or a cardigan sweater. School uniform colors of Black, white, blue or grey still apply

### THANK YOUS...

- A HUGE HP thank you goes out to our community partners and staff for helping out with all students needs. We have been able to get them tons of needed items as well as adequate basic needs!
- Thank you to all of HP's Facebook friends that donated items to our students! It truly is amazing to see the community rally support to help these students in need.

### FYI From Mr. Hayes...

Thank you to all the parents that follow our drop-off and pick-up policy. While most parents are complying there have been a few minor issues. Please be aware that not following road rules are ticket-able offenses and parents have received tickets in the past from for violations. Please see me if you have any questions and thank you for always keeping our students' safety in mind.
