- To all the parents that have increased the amount of time their student(s) spend reading - Reading 20-30 minutes a day is one of the most important things you can do to increase intelligence.

We have a lot to be proud of this December. Between the "Winterwonderland" book fair event, the Breakfast With Books, the Dept of Corrections Party, as well as the usual student of the week, and month there are a lot of events that are taking place to assists our families.

Have a safe and happy Winter Break - Please remember to read to or with your child 30 mins everyday and we'll see you in the New Year
