

Baker's Bunch Business

16-20, 2019

A Note from the Teacher

I just want to thank all the grandparents that were able to join us for Grandparent's Day. We had a great time and all the students enjoyed having the visitors to our room. Thank you again for taking the time to come and visit us! We hope you enjoyed it as much as we did.

What We're

Language Arts

Students are exploring different sources to come up with writing ideas. So far we have looked at always times, important people, important places that stir strong feelings and character development.

Math

Students are exploring number sense, skip counting, place values and as always we continue to strive for 100% fluency for our basic math facts. Students work daily on reflex math to achieve this goal.

Social Skills

Students have been exploring perseverance this week. We have learned that making mistakes and reflecting on them makes our brains stronger keeps us out of "the dip" in our learning.
