Classroom Behavior Procedures

- At LMS, we partner with students when they are struggling to help them be accountable for their actions. This interaction allows them to make positive changes in their lives.
- At LMS, our Behavior Intervention Support Team is designed to teach students, through grace and accountability, to make good choices. Please see the district student handbook for more specific information.

Tardy Policy: Students must be in class and ready to begin when the bell rings, or a detention will be issued.

Homework

- Homework will be assigned to reinforce skills and activities introduced in class.
- Homework is due the day after it is assigned, at the beginning of class, unless specified by the teacher.
- Homework will be accepted up to one day after the due date, with a 30% reduction in grade.
- **No homework will be taken after one day of being late!**

Absent Policy

- It is the student's responsibility to find out what he/she missed during an absence. Students should refer to each teacher's website for the assignments.
- Students will be allowed two day to make up missed work for every day that is missed.

Bathroom Policy

- We believe at LMS that there is nothing more important during the school day than learning. Because of this, students are encouraged to use the restroom before school, during the 3-minute passing period, and at lunch.
