Springfield District 186 Starter Strings 2017-18

Is your child interested in playing a string instrument?

Sangamon Valley Youth Symphony's beginning string instruction program, Starter Strings, holds classes during the school year at area schools. We are pleased to once again offer Starter Strings at Butler Elementary School this fall for students in the 3rd and 4th grades. Next year, lessons will be held on Wednesdays after school from 2:35-3:20pm.

We hope that your child is interested and excited about the possibility of starting a string instrument at the beginning of their 3rd or 4th grade year.

Once school starts this fall, SVYS will present an assembly to all 3rd and 4th grade students at Butler Elementary School, where teachers will demonstrate the different string instruments. At the assembly, we will send home specific information regarding the date and time of an evening parent meeting for you to attend with your child where you will learn more about our wonderful program.

Please feel free to contact me if you have any questions before our Starter Strings assembly at Butler Elementary School this upcoming August. Learning to play a string instrument opens up a whole new world of learning, creativity, friendships and fun!

Musically,

Diane Turek, Starter Strings Lead Instructor
