Website: <http://www.sps186.org/schools/lawrence>

Lawrence Education Center provides Adult Basic Education, Adult Secondary Education, High School Equivalency preparation, Adult High School Diploma, Vocational Skills education and training, along with career exploration and transitional activities for students age 16 and older. Students have opportunities to explore careers and career pathways, learn employability and job survival skills, develop leadership skills, learn financial literacy skills, and earn skills leading to a certificate or credential.

High School Equivalency Exam Preparation (GED®)

Includes instruction in reading, writing, literature, mathematics, science, social studies, and constitution in preparation for the GED® examination. Classes meet 5 days a week, either 9:00 am – 12:00 noon, or 12:30 pm – 3:30 pm.

High School Diploma Program

This program offers students with a minimum of 10 credits an opportunity to complete courses to earn a High School Diploma. Lawrence Education Center is part of Springfield Public School District #186, and utilizes the course structure and requirements necessary to assist a student in earning their Diploma. Classes are scheduled Monday through Friday from 9:20 am – 3:00 pm.

Other Options

Pre-Bridge Program – “Smart Moves” Pre-C.N.A. program provides contextualized instruction while exploring a career pathway to C.N.A. Students will earn a Personal Care Attendant certificate, and will be able to determine upon completion if pursuing the C.N.A. is the right choice for their personal goals.

C.N.A. Program – In partnership with Fishes & Loaves Vocational Center, this program provides next steps for a student to move from the Pre-Bridge to C.N.A. licensure.

I.T. Bridge – This Bridge program provides contextualized instruction and learning in the Information Technology area.

Technology Workforce Preparation Program – In partnership with Computer Banc, students participate in hands-on training working with computers and computer components, loading software, and deconstructing and constructing a working computer.

Mastering Digital Literacy – This course assists students in the computer skills needed to pass the High School Equivalency exams and/or pursue other career pathways. Students will receive a Certificate of Completion from Microsoft upon completion.

Education-To-Careers Academy – In partnership with the Springfield Urban League, enrolled students learn job survival skills, obtain C.P.R. certification, Food Handlers Certification, Illinois Worknet Readiness Assessment, and complete a Customer Service Training program.

Prepare Youth To Work – This program is available to eligible enrolled students and provides opportunities for job shadowing and employment internships with partnering local businesses.

Registration

Programs have different requirements to complete registration. Please call, visit our website, or visit the school for additional information on registration days, times and required documentation. Programs are Open Entry. Students must attend an Orientation, held twice per month on Fridays, and then will start their classes the Monday after they attend their Orientation.

Stephens Amendment

Lawrence Education Center’s educational program is 56% federally funded in the amount of \$392,636. The program is funded by the Illinois Community College Board and the Land of Lincoln Workforce Alliance.
