

Mission
Owen Marsh is committed to creating lifelong learners.

Vision
Owen Marsh is committed to high student achievement that focuses on student learning for every student everyday. All members of the OME community are held accountable for student learning.

Values

- Family connection
- High student achievement
- Data driven collaboration
- Positive environment

Goals

- 90% of OME families will attend at least one family engagement event, measured by classroom sign in sheets.
- 100% of the teaching team at OME will be committed to differentiated instruction to meet the needs of all learners, measured by student gains.
- 100% of the OME teaching team will continue to utilize data to drive instruction, both socially and academically, measured by student assessment and PBIS data.
- 100% of the teaching community at OME will provide a stimulating and nurturing learning environment, measured by walkthroughs and student interviews.
