

More information about our 50th Anniversary Class of 1968
Springfield High School Reunion

- A variety of food & beverage options will be available for purchase at Motor Boat Club on Friday evening.
- The gathering at Oak Ridge Cemetery on Saturday morning at the Vietnam Veteran's Memorial will include recognition of all Veterans in our class. A national Veteran's organization will provide lapel pins and may also have a speaker and formal presentation at the event. If you are a Veteran we hope you can be there, and all classmates are invited to attend to recognize those who have served our country.
- The Reunion Committee is hoping to produce a 50th Anniversary Reunion Directory. Whether or not you plan to attend the reunion, please send us a brief biography with some information about your life since graduation (further education, marriage, employment, kids/grandkids, retirement activities, hobbies, etc) and especially include your current contact information. If you wish, send along a recent photo of yourself. We would prefer that you send your Bio, Photo & Contact information by email attachment to: shsil1968@att.net. Or you may also send it in writing along with your reunion reservation. Since this directory promises to be a huge undertaking, the decision of whether or not to proceed with the directory will be made only after we have received a sufficiently strong response. We will let you know of the costs to publish and distribute. Be assured, you will not be obligated to buy the directory. It will simply be offered.

We are expecting a great turnout and we look forward to seeing you there.

Sincerely,

The Reunion Committee:

Jim Appenzeller, Tom Bolinger, Ken Cole, Mark Collins, Mike Dahlkamp, Tim Dunham, Carolyn Edwards, Glenna Kniss, Terry Knox, Libby Larison, Jim Long, Gary Lumsden, Kevin Proctor, Diane Jurkins, Tom Short, Jerry Smith, Kay Thread, Tom Trees, Jim Young
