

F.A.C.E. Camp ‘Quick Session Review’
SUMMARY REPORT

Date: April 16, 2019

Location: Lanphier High School

You are Your Greatest Asset	Fabulous	Good	Okay	Disappointing
The information I gained from this session was:	7	5	1	0

Grade Level Reading	Fabulous	Good	Okay	Disappointing
The information I gained from this session was:	11	7	1	0

Camp Compass	Fabulous	Good	Okay	Disappointing
The information I gained from this session was:	6	9	1	0

Chronic Absenteeism	Fabulous	Good	Okay	Disappointing
The information I gained from this session was:	4	6	0	0

SSHS Food Pantry	Fabulous	Good	Okay	Disappointing
The information I gained from this session was:	7	5	0	0

One thing you learned in sessions:

You are Your Greatest Asset

- That I don’t need lots of friends. Only get friends that like me.
- It was a very good meeting. You learn a lot. She was great.
- Be willing to dream big and put things on the line.
- I liked the steps on making it to your dreams. Need, want, dream about.
- Plan farther out than I have been.
- Emotional decisions. Make a plan and stick to it.
- How to do busy how to cook.
- Prioritizing what is needed for the future.
- Financial planning, emergency funds, great information.
- There is really a great need for this class. I've needed it.
- Planning, Emotions and spending can be dangerous.

Grade Level Reading

- The reading level needs to improve
- Schools with low reading scores
- Opportunity for growth in community to support literacy
- Letter of intent approved and beginning stages of comm action plan
- The GLR movement
- New to the campaign info, IL only has 1 comm that’s servicing 90% of our below grade level kids
- Would have liked a handout about the program.

Chronic Absenteeism

- New way to help hold kids accountable for their own attendance
- Focus: Monthly, not quarterly for success
- Shared ideas regarding chronic truancy, specifically “out of the blue” rewards and one on one meetings with parents.
- We can use out of the blue to reward attendance.

- Out of the Blue celebrations.
- Attendance buddies
- Additional ideas to promote attendance
- Other ways to motivate attendance
- Great topic. One on one meetings with parents and students

- Other schools are struggling to meet attendance goals.

Notes from chart paper:

- Admin addressing C.T. with 1:1 meetings
- Individual teachers 1:1/parent contacts
- Rewards (monthly): grade with highest %, dress-down (no uniform), 8th grade field trip
 - Awards Ceremony
 - Out of the blud rewards, parties, extra recess, field trips for attendance. (contacts)
 - Causes: enabling parents, babysitting, obs, lack of community, allowing gaming/cell at night ...
 - Ideas: monthly monitoring, not always Q
 - Goal: FT Nurses!

School Successes

- Every minute counts for student success board displayed in school: attendance, late, early dismissal
- yesterday had 94%
- Homeless bus
- printed reports: attendance reports for each student
- Signage
- Attendance buddies
- Competition during IAR testing
- smaller increments of time for rewards

SSHS Food Pantry

- Glad to see this initiative hitting Springfield
- Southeast Outdoor Food Pantry Mice?
- Ideas to go with our school food pantry
- Really great idea
- Awesome ideas
- Great job setting up and running food pantry
- We need this in our school LHS
- SSHS is amazing and hopefully will help us other schools
- Great information
- Amazing program for the community

Pantry cont.

- Great job SSHS
- The schools have noticed that it's a great demand in food for homes and children
- Possibility of a food pantry plus garden combo

Notes from Pantry chart paper:

- How do you fill pantry? Ask church partners, partner with other schools
- Who is taking care of pantry? NHS, Key Club
- Summer plan? - Work with the community garden
- Where do you store extras? room in school
- Where can the funding come from? HSHS Grant, Church who works with school/pantry
- Pests? it happens so use plastic tubs to keep food in

Examples from other schools:

- Compass has Backpack where kids choose what they take home including veggies for family, kids feel like they are contributing to family
- Pet food
- Blessing in a Backpack (national program)
- Cafeteria food is saved and given away at Matheny-Withrow after partnering with Cafeteria
- Jane Addams - Walmart bag
 - They have a Friday backpack program
 - send home food each weekend; soup, granola, fruit roll-ups, breakfast bars/oatmeal
