

Logging into the MAP test using an iPad

- 1) Make sure your volume is turned up on your device.
- 2) Open the NWEA icon.

On the first screen

- 3) Type in the "Username" provided by your teacher.
- 4) Type in the "Password" provided by your teacher.
- 5) Tap the blue arrow

On the second screen

- 6) In the first drop down menu, find and select your name
- 7) Check to make sure your name is now in that box
- 8) Look at the next box, it should say something about math or reading.
- 9) If it does, hit the blue arrow. If it doesn't, contact your teacher.

On the third screen

- 10) The screen will say "Is this correct?" Check to make sure your name is at the top.
- 11) If it is correct, tap on the blue 'yes'.

On the fourth screen

- 12) This screen will have what looks like a yellow post-it notes and a paperclip at the top.
- 13) You will not need to do anything on this screen. At this point your teacher will need to click a button on his/her computer to start your test.
- 14) When the teacher starts your test, your screen will change. DO NOT do anything until you read the next set of directions (steps 15 through 18).

On the fifth screen

- 15) Tap on the blue arrow
- 16) Two things will appear: 1) the first test question and 2) a box that has a "yes" and a "no" in it.
- 17) **You MUST select "YES"**. Bad things happen if you select "no". The teacher will have to reset the test and you will have to restart this whole process.
- 18) You are now in the test. When you have answered a question, you will tap the blue arrow in the bottom right corner to go onto the next question.
