We believe that all of you have a conference time that works with your schedule. Thank you for returning our notices and helping to get these scheduled. We are looking forward to seeing each of you either Thursday or Friday!

The purpose of these conferences is to help your child be as successful as they can possibly be at school. In order to achieve this, we need for you to be an active part of the learning process. We need for you to understand what your child does throughout the day and how

you can best help support their education.

Your student is welcome to attend these conferences with you! The students are the reason why we are having these conferences, and we feel like they have an important part in the conferences. If you chose for them to join you, they are more than welcome!

Our conference schedule is set and out of respect for your time, we will do our best to make sure that our conferences are running on time. Please try to be on time! We are looking forward to seeing you all!
