

Communication Model Project

Speech-Mrs. Davis

Objective:

You are to create your own model of communication using at least eight different communication elements labeled on the model in your notes.

Format:

The model may be done as poster/collage, or a three-dimensional work. Drawings or posters must be at least 14x20 inches, but not larger than a piece of poster board. You will share this information with the class in a short presentation. Presentations should be about one minute long.

Grading Criteria:

The project is worth 50 points, and you will be graded according to the attached rubric.

Date Due:

All models will be due on (check grade book for due date)
You will be given a date to speak and you will know this ahead of time.
There will be no “lates” for this, so be sure to turn it in on time!
