

MISS CARTER'S CLASS NEWS

DECEMBER 2013

Math- This month in math we are continuing to work on multiplication. Please encourage your student to practice their multiplication basic facts at home.

Reading- During the month of December, students will be taking many middle of the year assessments. We will also be working with the story, The Polar Express. Starting this month, we will be discussing literal v. nonliteral language in both informational and fiction/fantasy texts.

School Rewards- During the month of December, there are new school rewards that students can earn. Jane Addams now has a school store. Students can earn star cards to "buy" things such as school supplies from the school store. The school store will be done once a month. The next date for the school store is December 17th. This month there is also a teacher auction. The teacher auction will run from December 2nd-13th. Students can use star cards to win prizes from different teachers throughout the building.

Holiday Party- We will have our classroom holiday party on Thursday, December 19th. The party will begin at 1:30pm. If you would like to send snacks with your student, please remember to send healthy snacks only. If you would like to come help, please contact Miss Carter.
