

# MISS CARTER'S CLASS NEWS

## MAY/JUNE 2014

**Field Trip-** Students will be going on a field trip to Chuck E. Cheese on May 23rd. This will be our end of the year field trip where we can work on adding/subtracting money and learn how to use appropriate social behaviors. For the month of May, students can earn game tokens for every day they meet their goal of 80% (up to 22 tokens!). More information about the trip will be sent home soon.

**Math-** For the rest of the school year in math, students will be studying area, perimeter, liquid volume and mass. Students are still working on their multiplication/division facts. Their basic facts log is sent home every Monday with the facts they are to work on. The log is collected the following Monday for a grade. Please remember to sign the log before your child comes to school Monday morning.

**Language Arts-** This month, we are reading fiction stories and distinguishing the different points of view we find within the texts. At the end of the month we are working on poetry, concentrating on finding the meaning of unknown words and describing how each successive part builds on earlier sections of the poems. Students will also be taking their end-of-the-year reading assessments during the middle of May.

### Specials Schedule

Monday: Music 1:00-1:30

Tuesday: Art 1:00-2:00

Wednesday: Library 11:40-12:00

P.E. 1:30-2:00
