We are learning a lot in 5th grade!

We are off to a great start in 5th grade and we are are learning a lot! We are currently working on Topic 2 in math, which deals with adding and subtracting decimals. We will continue to work on these skills all week.

We are also sending home a spelling tic tac toe sheet each week. They are to complete three activities in a row of their choice. Sheets are given out on Monday and are due back on Thursday. On weeks that we have no school on Monday, we will try our best to get their sheets to the students on Friday before they leave for the long weekend. We test over our spelling words on Friday.

We are also working on writing personal narratives. Personal narratives are stories that are written from the child's point of view. This week we are working on adding details to the story to make the reader feel like they are inside the story. Be sure to ask your child what they are writing about!
