WEEKLY TIDBITS

Happy New Year!!!

It is so good to be back! I am excited to start off the new year and finish the rest of the school year strong. I hope you all had a wonderful break!

If you noticed, we are going to be taking the Topic 7 Math test again this week. I had scheduled this before break, but I realized as we were taking the test the first time students needed a little more review and practice before taking the test for a final grade. I will average their two scores together to get a final grade.

A PEEK AT OUR WEEK

Math: We will be taking the Topic 7 (Extending the Counting Sequence) test for a final grade and begin Topic 8 (Understanding Place Value).

Reading and Writing: We are starting our nonfiction unit. I am so excited to start this unit in both subjects!
