WEEKLY TIDBITS

Practice Snap words daily with your child. We will be taking the spelling and reading assessment on the Snap words that we have learned so far, very soon. A list of the words your child will need to be able to read and spell will come home with your student at the beginning of next week (1/22).

Please read with your child 10-15 minutes each night.

A PEEK AT OUR WEEK

Math: We will begin Topic 8 (Understanding Place Value).

Questions to ask your student at home as a review of Topic 7:

- When counting by 10s on a hundred's chart, do you look at the column or the row? (Answer: column)
- When counting by 10s, which number comes next: 30, 40, 50, ___ (Answer: 60)
- If there are 4 groups of ten counters, how many counters are there in all? (Answer: 40)

Reading: We are starting our nonfiction unit.

How to get super smart about nonfiction topics:

1. Take a sneak peak to start learning.
2. Stop and study each page.
3. Guess what might come next.
4. Chat about a page of the book.
5. Make your voice sound smooth and lively (like a news reporter).

We will also be starting our nonfiction unit in Writing as well.
