All Week

- 16 Pizza Ranch Fundraiser
5:30 - 8:30

- 17 Fall Picture Day

- 31 Trunk or Treat

Second Step SEL Curriculum

This year at Lee we are using a new program called Second Step. Second Step is a program rooted in social-emotional learning (SEL) that helps transform schools into supportive, successful learning environments uniquely equipped to encourage children to thrive. More than just a classroom curriculum, Second Step's holistic approach helps create a more empathetic society by providing education professionals, families, and the larger community with tools to enable them to take an active role in the social-emotional growth and safety of today's children.

Students will learn new skills each week that will enable them to be successful throughout the day.

This month, our schoolwide theme is empathy. In our morning announcements and school assembly we'll be reminding students to have empathy, identify their own and others' feelings, notice and respect same and different feelings, and show compassion. Compassion involves saying kind words or doing something helpful to show you care how another person feels. When students can identify, understand, and respond in a caring way to how someone else is feeling, it helps create a positive and accepting school climate.

Second Step lessons specifically teach about empathy.
