

# PROJECT SCOPE

## TRADITIONAL CALENDAR

**SAFETY FIRST** — Project SCOPE is pleased to announce that every one of our 21 school locations recently met the Health and Safety Standards set by the Illinois Department of Human Services.

Representatives of Community Connection Point in Springfield visited each SCOPE site in September. The inspections covered indoor and outdoor safety, emergency preparedness, sanitation, nutrition and opportunities for physical activity.

We congratulate our staff for earning state recognition of their efforts to

keep SCOPERs safe and healthy every day!

### Important Dates

**Oct. 14**  
No SCOPE  
Columbus Day

**Oct. 24**  
60-Minute Early Dismissal

**Oct. 25**  
Full Day SCOPE  
Parent/Teacher Conference  
Bring a sack lunch

### Keeping “kool” at Harvard Park SCOPE

The Project SCOPE bulletin board at Harvard Park announces “SCOPE is as Kool as Lemonade” to parents and other visitors. Harvard Park SCOPERs decorated the board with construction-paper versions of their favorite varieties of lemonade.

**Parents, make sure you have signed and turned in your 2019-20 Family Guide and Registration Agreements. Any questions, please see your Lead.**
