Event
10:30 - 12:30

- 28-29 **NO SCHOOL**
Thanksgiving Break

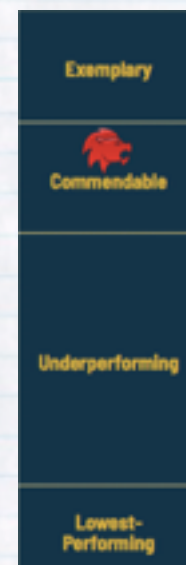

Lee is a Commendable School Again This Year

For the second year in a row, Lee School has been rated as Commendable by the State of Illinois! One of the key factors for our rating was the amount of growth our students showed on the yearly state assessment, the Illinois Assessment of Readiness (IAR). On the English/Language Arts Assessment, our students showed growth that was 7 percentile points higher than the average school in the state, and in math our students grew 13 percentile points higher than the average school. This is fantastic growth that fulfills our mission of planning pathways to achieve success for every child.

Thank you to our families and community for supporting our school, our staff, and our students to achieve and grow every year!

For much more information, visit www.illinoisreportcard.com and search for Edwin A. Lee School.
