

PROJECT SCOPE

TRADITIONAL CALENDAR

Winter Break: All SCOPE families should have received a letter detailing the Full Day SCOPE schedule and fees over Winter Break. Please complete and return the form attached to that letter by Wednesday, Dec. 4, if you have not done so already.

Dec. 23-27 fees: During this week Full Day SCOPE will be offered on Thursday, Dec. 26, and Friday, Dec. 27. The fee for that week will be \$30 if your child attends one or both days. **For this week only**, families will not be charged a fee if their child does not attend either day.

For parents who receive financial assistance through CCP and are **AM or PM only**, please be aware that CCP will only pay for actual days attended for this week. Parents are responsible for any differences incurred. See your SCOPE Lead if you have questions.

Dec 30-Jan 3 fees: Full Day SCOPE will be available Monday, Dec. 30, and Thursday, Jan. 2. School resumes on Friday, Jan. 3, which will be treated as a normal SCOPE day.

Families in the AM program will pay \$35 plus \$8 for each full day attended, and families in the PM program will pay \$40 plus \$7 for each full day attended. Families in the AM and PM program will pay the usual \$75 fee.

If your child does not attend any day this week, you will be charged half of your normal weekly fee.

Locations: Due to lower attendance around the holidays, SCOPE will be combined at the following locations over Winter Break:

- Butler (for students at Butler, Dubois, Marsh and Sandburg)
- Harvard Park (for students at Black Hawk, Harvard Park, Hazel Dell and Laketown)
- Iles (for students at Feitshans, Iles and Matheny)
- Ridgely (for students at Addams, Enos, Fairview, McClernand, Ridgely and Wilcox.)

Students at Lee and Lindsay will remain at their schools. If your child attends a different location in the morning and Lee in the afternoon, they will go to Lee for Winter Break.

Important Dates

Dec. 20

Schools dismiss
60 minutes early

Dec. 23, 24 and 25

SCOPE closed
