

PROJECT SCOPE

TRADITIONAL CALENDAR

PARENTS/GUARDIANS:

Please be aware of the following opportunities:

Summer SCOPE: Registration for Summer SCOPE will begin Friday, March 6, 2020, for currently enrolled SCOPE students. Registration forms will be available from your SCOPE Lead. There is a \$25 non-refundable fee required with each child's registration.

Summer SCOPE will be offered from 7 a.m. to 6 p.m. Monday through Friday at two school buildings in the district (the exact locations will be determined by March 6.) Currently enrolled SCOPE students will be given two weeks to register before we open the registration process to the rest of District 186 students and to the public.

Re-enrollment: Parents may re-enroll their students in Project SCOPE for the 2020-21 school year beginning March 23, 2020, by signing the paperwork provided by your SCOPE Lead. We encourage you to re-enroll even if you are not 100 percent sure about your plans next year, so your child will be placed on a SCOPE roster and allowed to start SCOPE on the first day of school should you need it.

If you **do not** sign the paperwork, you will need to register your child for 2020-21 by coming into the SCOPE office at least two weeks before the first day of school.
