

Speech/Communication Class- Mrs. Davis

In this class, you will learn how to become a more effective communicator. There will be a heavy emphasis on public speaking. You will give several speeches in this class.

Materials needed for this class:

Spiral notebook

3-Ring Binder or folder

3x5 note cards

Additional items as needed for speeches and projects

First Quarter:

Topics covered:

Communication process

Speaker responsibilities

Stage fright/confidence

Basics to public speaking

Perception

Listening

Second Quarter:

Topics covered:

Verbal Accuracy

Nonverbal communication

Projects & Speeches:

Bio Bag

Communication Model

Mini-speeches

Projects & Speeches:

Demonstration speech

Informative speech

The majority of points for this class will come from the projects and speeches. Homework will consist of reading the text, researching, preparing, and practicing for speeches, and studying for several unit tests.

This list does NOT include all work which will be completed in this class. Work will be added as necessary.
