

CURRENT EVENTS WEEKLY ASSIGNMENT

This Assignment will be due EVERY Friday

Each week, students will submit a one-page (14 font or smaller / full page) summary of a current event you find interesting. These summaries can include any topic that interests you (politics, sports, entertainment, etc...). I do not need the article, nor do I need you to cite your source or sources. It should simply be a summary of a current event you found that you wanted to know more about. What I would recommend is you give me a synopsis of the current event you selected and then feel free to express personal opinions about the story you chose. These weekly summaries will be worth 20 points each, and will make up a fair percentage of your final grade. Note that there are no right or wrong answers, so the more you write, the higher the grade. Please note, these weekly articles will be due every Friday by 11:59 p.m. You may, of course, submit them earlier if you want. If you have any questions, please email me at bwharton@sps186.org. You may also ask questions during our Zoom sessions.
