

# PROJECT SCOPE

## REMOTE LEARNING CALENDAR

### Welcome to Remote Learning with Project SCOPE!

Parents, thank you for entrusting us with your children during this period of Remote Learning at District 186. Our staff is here to supervise and assist your child with online learning, but please remember this is a collaborative effort between parents, students, teachers and SCOPE staff.

Please keep in mind our staff are not teachers, but we will make sure each child is logged into Canvas, Zoom or any other sites at the appropriate times. We will do our best to answer students' questions, but our staff does NOT have access to a child's Canvas account or list of assignments. It remains the parent's responsibility to review their children's work every evening and make sure all assignments have been done.

A few reminders that will make the process run more smoothly:

- Allow enough time in the mornings to sign in your child before class time begins for the day (either 8:30 or 9 a.m., depending on the school). Please understand sign-in may take longer due to the need to social distance and record temperatures.

- Make sure your child brings his or her school-issued iPad or Chromebook, headphones or earbuds, textbooks and any other supplies needed for coursework. Students also need to know their user names and passwords, or have them written down on a note kept in their backpacks.

- Send your child with a clean mask and water bottle every day.

Thank you for your cooperation!
