

PROJECT SCOPE

REMOTE LEARNING CALENDAR

SCOPERs attend class online at Iles (above) and Ridgely.

Remote Learning with SCOPE

This week we entered our second month of Remote Learning. Our staff is working hard to help students stay on track with their classwork. Parents, please remember to check your student's work every evening, and send the following with your child every day:

- School-issued iPad or Chromebook, headphones or earbuds, textbooks and user names and passwords.
- Clean mask and water bottle.

Autumn scenes

Clockwise from top left: Ridgely SCOPE welcomes fall with a leaf-themed bulletin board; Graham students create autumn trees out of puzzle pieces; and Black Hawk SCOPERs take a Super Nintendo video game break.

Important Dates

Oct. 12
SCOPE closed
Columbus Day

SCOPE Leads and Pager Numbers

Our website, www.sps186.org/SCOPE, has a complete list of Leads and their pager numbers.

When calling a pager number, enter your phone number after the beep, and your call will be returned as soon as possible.
