## This Week

**Math:** This week we are finishing our second topic in math. Topic 9. Using different strategies to add and subtract. We will have out Topic test tomorrow.

**Literacy:** We are starting Unit 3 . We will be working on summarizing using the letters SWBST (ask your child what this means), predicting using text evidence, and growing ideas as readers.

**Writing:** We will take our Unit 1 writing assessment tomorrow. We will then be starting a new unit on informational writing. This is writing all we know or are curious about with facts.

**CANVAS:** Please go to my school webpage to sign up for the PARENT CANVAS. This is a tool to allow you to observe your childs work and what they have and have not completed.

Also, Mondays are still learning days for your child. Monday are an expectation and for a grade.
