WE NEED YOU!

Dear Lanphier Football Parents & Friends,

We need you to consider becoming part of Football Boosters in order for us to provide team meals, food for out-of-town games, and the End of the Season Banquet. Without our Booster Club, none of these things are possible. We want our players' experience as a Football Lion to be a great one. In order for us to provide our players the best experience possible, we need many parents and friends of Lanphier Football to get involved. Boosters do help with fundraising, but they do so much more. They plan the pre-game meals and travel meals as well as the End of the Season Banquet where we honor the accomplishments of our players, especially our seniors. Boosters also help with concessions and tickets at lower-level games. Boosters have helped with 50/50, posters, and other game events. As you can see, we need a lot of people to help. We need at least 2 Parent Representatives from each grade (Freshmen thru Seniors) in order to keep this sustainable. Without your help, we will not be able to offer our kids the program they deserve. Thank you in advance for your consideration. It is a lot of work, but our kids are worth it.
