## HYBRID LEARNING CALENDAR

### **Parents and Guardians:**

We have almost completed a full month of Hybrid Learning! Thank you to all our families for following COVID rules and helping keep students in school and in SCOPE.

Please review the following timely information:

### **Spring Break:**

Project SCOPE will provide Full Day care over Spring Break, March 2-5. (Please note we will be closed for the March 1 holiday.) Students may come to SCOPE on the two days a week they would normally be in school — Tuesdays/Thursdays for Group A students, and Wednesday/Fridays for Group B.

Students will need to bring a lunch from home as the school cafeterias will be closed.

Please see the flyer coming home this week for more information.

### **Snow Days:**

While we are preparing for Spring Break, there is still a chance of snow or icy weather. If District 186 announces a Remote Learning Day due to inclement weather on Tuesdays through Fridays, SCOPE will also be closed.

On Mondays, when schools are fully remote, please check the news or our Web site if SCOPE needs to close due to bad weather.

### **Taxes:**

If you claim childcare expenses on your tax returns, remember we DO NOT issue year-end statements. Check with your SCOPE Lead for missing receipts, or contact the SCOPE office.

Our tax ID is 37-6004615.

### **Important Dates**

#### **Feb. 15**

Presidents' Day  
SCOPE closed

#### **March 1**

Casimir Pulaski Day  
SCOPE closed
