

# PROJECT SCOPE

## HYBRID LEARNING CALENDAR

Project SCOPE is looking forward to seeing your children twice as often as District 186 expands in-person learning to four days a week beginning April 6. We will continue to offer full day care on Mondays.

Parents, if you need childcare this summer, space is filling quickly for Summer SCOPE at Enos Elementary. We are limited to 75 students and registration is first come, first served. You may register using the link at [www.sps186.org/scope](http://www.sps186.org/scope). A \$25 registration fee is required.

Families who currently receive assistance from CCCC and need to change their provider school to Enos should request a change of provider form for Summer SCOPE. Please sign the form and drop it in the dropbox outside our office at 2120 E. Reservoir. We will complete the form and fax it to CCCC.

**At Iles, SCOPERS made leprechaun masks and shamrocks to celebrate St. Patrick's Day.**

**Marsh SCOPERS learned how to make a shadow puppet show with a flashlight and characters made from pipe cleaners (above left). They've also been busy making paper dragons (above right) and sculpting with air-dry clay.**

**And at Laketown, SCOPERS made rainbow binoculars from toilet paper rolls.**
