

Enos Summer SCOPE

June 14 - June 18, 2021

Welcome to Summer Scope! We hope everyone had a terrific first week!

This coming week will have a "Superhero" theme. We will also begin our weekly field trips and welcome our first guest, Magician Richard Landry and his rabbit, Snowball, for a performance outside on the school grounds.

Remember to send your child with a mask and a water bottle (labeled with his or her name) each day. Applying sunscreen every morning is a good idea, as the children will play outside daily (weather permitting), and all field trips will be at outdoor locations.

Please DO NOT send toys from home, as we are NOT responsible for lost, stolen or broken items.

.....

Project SCOPE has opened registration for the 2021-22 school year. With District 186 planning to resume a regular five-day weekly schedule, SCOPE will offer childcare before school beginning at 7 a.m. and after school until 6 p.m. The first day of school will be July 21 for the Balanced Calendar schools and Aug. 23 for all others.

Parents may register for SCOPE online using the link on our Website, www.sps186.org/scope.
