My name is Cheryl Doss and it is my pleasure to serve you as the new SCOPE Coordinator. I am a product of Springfield Public Schools. I have worked in the Springfield School District for over 25 years.

I began my career as a SCOPE assistant. Over the years, I have served as a teacher assistant, parent educator, special education teacher and a guidance dean. I hold a Bachelor’s degree in Family Services, a Bachelor’s degree in Special Education and a Master’s degree in Education from Eastern Illinois University. I am an advocate for all children. I am passionate about educating children. I am committed to serving our students, their families and the community.

My husband and I are both educators. We have been married for 35 years. We have five children and six grandchildren. I enjoy traveling and spending time with my family.
