

Enos Summer SCOPE

July 12 - July 16, 2021

SCOPERs learned about recycling last week through crafts and activities presented by the Illinois Environmental Protection Agency (pictured at right). The kids also enjoyed rain-delayed field trips to Foot Golf at Bergen Golf Course and Sugar Grove Nature Center in McLean.

This coming week will feature a Pokemon theme week and a trip to the Scovill Zoo in Decatur. Please make sure your child has a water bottle for the zoo trip!

Preparing for the 2021-2022 school year

Graham and Southern View families who receive assistance from CCCC will need to complete a change of provider form as soon as possible to be ready for the first day of school on July 19.

Families from Traditional Calendar schools (which will begin the new school year on Aug. 23) can also ask CCCC for a Change of Provider form at this time.

Make sure you write the child's name and school on the form and sign your name on the parental signature line. Place the form in the dropbox outside our main office, 2120 E. Reservoir, and SCOPE staff will complete the form and fax it to CCCC.

SCOPE is accepting registrations for the school year at our Web site, www.sps186.org/scope.
