

Enos Summer SCOPE

Aug. 9-Aug. 13, 2021

Dear parents:

The last week of Summer SCOPE is here!. Thank you for entrusting us with your children during these past 10 weeks.

The new school year will begin Monday, Aug. 23. If you haven't already, please register your child(ren) for elementary school at www.sps186.org, and for Project SCOPE at www.sps186.org/scope.

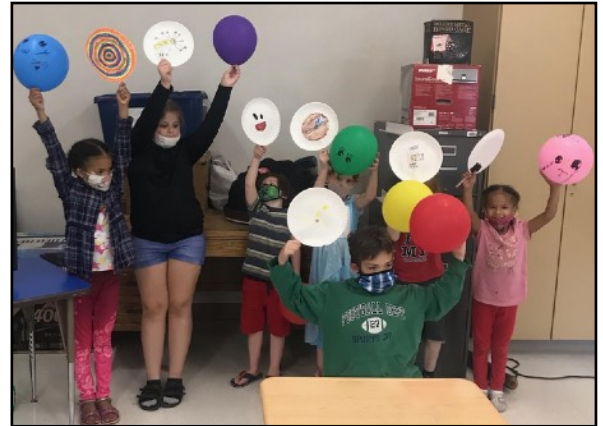

Also, all accounts must be up to date before the last day of Summer SCOPE on Aug. 13. Families with an outstanding balance will NOT be allowed to begin SCOPE when school opens until full payment is made.

If you receive financial aid through CCCC and have not yet requested a Change of Provider form for the school year, please contact CCCC immediately. Signed forms may be placed in the dropbox outside our main office at 2120 E. Reservoir.

Congratulations to Summer SCOPE Lead Justin Flanagan, who this week begins a new position with District 186. We thank Mr. Justin for his 14 years of service to Project SCOPE, most recently as Lead at Black Hawk Elementary. We will miss you!

Project SCOPE is currently hiring substitutes to work as needed at our before- and after-school programs during the 2021-22 academic year. If interested, please call the SCOPE main office at 217-525-3309.
