(Third Grade Is Fun!)

Contact Me!: class dojo, 217-585-5837

Week of August 30, 2021

Math

This week in math we are continuing in Topic 12 which is all about understanding fractions as numbers. Students are learning how to find and place fractions on a number line.

Reading

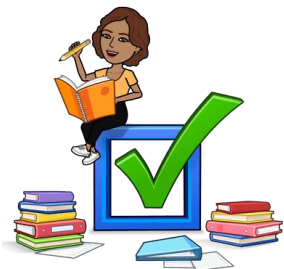

In reading we are learning different strategies to understand the stories that we are reading. One way that we can understand the story better is to pay attention to how characters react to problems.

Writing

In writing, this week we are finishing our first 5 paragraph small moment narrative essay. We will be editing and publishing by the end of the week!

Vocabulary

- less (without)
- hopeless
- toothless
- meaningless
- pointless
- endless
