

PROJECT SCOPE

BALANCED CALENDAR

Dear Parents and Guardians:

We are partway through the first intersession since 2019, and this year we have added some entertainment for the SCOPERs. During the first two weeks of Fall Intersession, Annette Reese of 4H Youth Development is presenting a “Soccer for Success” program that teaches healthy eating habits as well as soccer skills.

The week of Oct. 12-15, SCOPERs will enjoy a visit from Audra Walters of Lincoln Memorial Gardens and her turtle, plus a game of Soccer Darts from Central Illinois Inflatables.

Please make sure you have signed and turned in your 2021-22 Family Guide and Registration Agreements. Any questions, see your Lead.
