United WAY donations

Thank you to all our SCOPE students and their families who together donated more than \$1,500 to the United Way of Central Illinois during District 186's annual campaign. The top fundraisers were Wilcox (pictured above right) with \$245.58; Lindsay (below right) with \$177.59 and Enos with \$160. SCOPERs from those programs celebrated with a pizza party at Wilcox, a cupcake party at Lindsay and a popcorn party at Enos.
