

ATTENDANCE SUPPORT TIME

Good Morning!

Due to your late arrival to school, you will be provided attendance support time in the Commons. While you are here today, you are expected to follow all school rules. There are no hats, or hoods allowed. Also, we need all students to sit at separate tables. Listed below are steps that you need to complete during this attendance support time.

- 1. Check your school email.**
- 2. Log into the Canvas classes for the hours that you are missing this morning and check for new assignments from your teacher.**
- 3. Email your teachers if you do not see any new assignments, or if you have any questions about how to complete any of the assignments.** (All of your teachers' email addresses are located on your cumulative folder, or you can message your teachers through Canvas.)
- 4. Do not wait until you return to your classes to attempt to start or complete your work. *You need to complete your work during this attendance support time.*** You do not want to fall behind. ***This is also an opportunity to make-up missing work.***
- 5. If you are enrolled in an Edmentum class, you may work on that class as well. Email Mrs. Hunsley-Hunt (hunsley@sps186.org) to open any assignments.**

When you return to the classes that you are missing today, please confirm with your teachers that your work was turned in, or check with your teachers when you can take any quizzes or tests that you may have missed.

There is after school in-person or online tutoring available on Mondays, Tuesdays, and Thursdays from 3:30pm-5:00pm. The link for online tutoring is posted on the left hand side of the Lanphier webpage and in-person tutoring is located in the large commons. Please take advantage of tutoring.

Thank you,

Dr. Doss
