

LANPHIER IHS INSTRUCTIONS

Good Morning!

Today you will be serving time in In-House. While you are serving your time today, you are expected to follow all school rules. There are no hats, or hoods allowed. In the meantime, you will still be responsible for keeping up with your schoolwork. Listed below are steps that you need to complete while you are in In-House.

- 1. Check your school email.**
- 2. Log into each of your Canvas classes and check for new assignments from your teacher.**
- 3. Email your teachers when you do not see new assignments, or if you have any questions about how to complete any of your assignments.** (All of your teachers' email addresses are located on your cumulative folder, or you can message your teachers through Canvas.)
- 4. Do not wait until you return to your classes to attempt to start or complete your work. *You need to complete your work while you are in In-House today.* You do not want to fall behind. *This is also an opportunity to make-up missing work.***
- 5. If you are enrolled in an Edmentum class, you may work on that class as well. Email Mrs. Hunsley-Hunt (hunsley@sps186.org) to open any assignments.**

When you return to your classes, please confirm with your teachers that your work was turned in, or check with your teachers when you can take any quizzes or tests that you may have missed.

There is after school in-person or online tutoring available on Mondays, Tuesdays, and Thursdays from 3:30pm-5:00pm. The link for online tutoring is posted on the left hand side of the Lanphier webpage and in-person tutoring is located in the large commons. Please take advantage of tutoring.

Thank you,

Dr. Doss
